TERMINI E CONDIZIONI DI VENDITA

GENERAL TERMS OF SALE

1. GENERALITÀ
Le nostre condizioni generali di vendita hanno validità esclusiva. Clausole invocate a sua volta dall'Acquirente sono valide soltanto se da noi sottoscritte ed in Italia. L'eventuale nullità di singole disposizioni del presente contratto non intacca la validità delle rimanenti disposizioni. Le seguenti condizioni di vendita costituiscono parte integrante di ogni ordinazione di merce, scritta o verbale, diretta a Rotaliana S.r.l. e sono sempre valide, anche se non espressamente richiamate o riportate sui documenti che accompagnano le singole vendite (per es. conferma d'ordine, bolla di consegna, fattura, ecc.). Tutte le offerte sia dirette che fatte tramite agenti, procacciatori d'affari, rappresentanti o funzionari, si intendono senza impegno e salvo il venduto ed in caso di accettazione da parte dell'Acquirente sono soggette a conferma. Tutti gli ordini pervenuti a Rotaliana S.r.l. tramite agenti, procacciatori d'affari, rappresentanti o funzionari sono sempre soggetti a conferma scritta. La mancata tempestiva contestazione della fattura implica la accettazione da parte dell'Acquirente di tutte le condizioni esposte nella stessa. I prezzi indicati nel listino di vendita potranno subire variazioni, che verranno formalmente comunicate con opportuna tempestività. I prodotti potranno essere soggetti, a ns. insindacabile giudizio, alle modifiche di carattere migliorativo ritenute necessarie. Non si garantisce pertanto che il materiale fornito corrisponda esattamente alle foto del catalogo. Nel caso di ordini di completamento non viene garantita la fornitura dell'esatta tonalità del materiale consegnato in precedenza. Il presente listino prezzi sostituisce e annulla tutte le precedenti edizioni.

2. TERMINI DI CONSEGNA
Il termine di consegna decorre dalla data della conferma d'ordine. Esso si intende adeguatamente prorogato: se i pagamenti non vengono effettuati puntualmente, se l'Acquirente manca di fornire in tempo utile quanto stabilito in contratto o se comunque insorgono cause indipendenti da Rotaliana S.r.l., come, ad esempio, ritardi dei subfornitori, impossibilità di approvigionamento in Italia od all'estero, nonché casi di forza maggiore, scioperi, interruzione di linee e servizi, mancanza di mezzi di trasporto. Gli eventuali ritardi in conseguenza delle cause di cui al precedente paragrafo non possono dar luogo a responsabilità o a diritto ad indennità di qualsiasi genere. L'annullamento dell'ordine potrà avvenire solo per accordo tra le parti. È facoltà della Rotaliana S.r.l. di evadere gli ordini in diverse riprese.

3. LUOGO DELLA CONSEGNA
La consegna si intende convenuta presso la sede di Rotaliana S.r.l. nel momento in cui la merce, a cura dell'Acquirente o del vettore, lascia il nostro stabilimento, anche se il prezzo comprende il trasporto. Le merci viaggiano a rischio e pericolo dell'Acquirente anche se vendute franco destino e spettano al destinatario la cura e la responsabilità di verificare il numero e la condizione dei colli e di fare eventuali reclami al vettore. L'Acquirente si obbliga in ogni caso a ritirare la merce dal Vettore anche quando credesse di poter sollevare proteste od eccezioni.

4. GARANZIA
Rotaliana S.r.l. garantisce la buona qualità e la buona costruzione dei propri prodotti obbligandosi, durante il periodo di garanzia appresso specificato, a sostituire gratuitamente nel più breve tempo possibile quelle parti che per cattiva qualità del materiale o per difetto di lavorazione si dimostrassero difettose, sempre che ciò non dipenda da naturale logoramento, da guasti causati da imperizia o negligenza dell'Acquirente, dall'installazione effettuata da personale non qualificato, da casi fortuiti o di forza maggiore. L'acquirente è tenuto ad esaminare la merce immediatamente dopo l'arrivo. Non si accettano reclami se non per iscritto entro tre giorni dall'arrivo della merce presso il compratore. La lettera di reclamo dovrà contenere specifica menzione delle ragioni della protesta. Per vizi occulti si dà garanzia per un periodo massimo di 12 mesi dalla consegna data di produzione, se reclamati per iscritto entro tre giorni dalla loro scoperta. Non si considerano occulti eventuali vizi rilevabili da un diligente esame della merce cui il compratore è tenuto al momento della consegna di ogni fornitura. Le eventuali restituzioni devono essere precedute da idonea motivazione scritta, comunque non saranno accettate se non autorizzate per iscritto da Rotaliana S.r.l. In caso di consegna di merci non rispondenti alla qualità pattuita, la Venditrice può a sua insindacabile scelta, o sostituire le merci o annullare il contratto purché l'Acquirente abbia provveduto alla tempestiva contestazione della fornitura. L'Acquirente non potrà richiedere risarcimento di danni per questo titolo fermo restando che allo stesso saranno rimborsate eventuali spese di trasporto. La garanzia di cui al presente articolo è assorbente e sostitutiva delle garanzie legali per vizi e conformità ed esclude ogni altra possibile responsabilità del Venditore comunque originata dai prodotti forniti; in particolare, l'Acquirente non potrà avanzare altre richieste di risarcimento del danno, di riduzione del prezzo o di risoluzione del contratto. Decorsa la durata della garanzia nessuna pretesa potrà esser fatta valere nei confronti del Venditore. L'Acquirente accetta di sopportare eventuali oneri derivanti da possibili azioni (in via diretta o di regresso da parte di successivi venditori) ai sensi dell'art. 131 d.l.g. 6-9-205, n. 2006 (Codice del consumo), o di analoghe norma di altro Stato membro basate sulla direttiva 1999/4/CE del Parlamento europeo e del Consiglio del 25 maggio 1999 su taluni aspetti della vendita e delle garanzie dei beni di consumo. È pertanto espressamente escluso qualsiasi diritto di regresso dell'Acquirente nei confronti del Venditore ai sensi dell'art. dell'art. 131 d.l.g. 6-9-205, n. 2006 (Codice del consumo), o di analogà norma di altro Stato membro basata sulla direttiva 1999/4/CE, da parte dell'Acquirente che abbia posto rimedio ad un difetto di conformità nei confronti del consumatore (o che abbia subito il regresso del venditore finale par tale ragione). Inoltre l'Acquirente si impegna a tenere il venditore indenne da qualsiasi azione di regresso che quest'ultimo possa subire da eventuali acquirenti dell'Acquirente.

I nostri termini di pagamento decorrono dalla data della fattura. Diverse modalità di pagamento saranno valide solo se da noi confermate per iscritto. I pagamenti delle merci vanno eseguiti presso la sede di Rotaliana S.r.l. in Mezzolombardo mediante bonifico bancario, salvo diverse modalità concordate e confermate per iscritto. La visita di incaricati delle riscossioni, che dovranno comunque essere sempre muniti di delega scritta, e la emissione eventuale di tratte o ricevute bancarie nonché la accettazione di cambiali o assegni, non faranno mai venire meno l'obbligo del pagamento presso la sede della Venditrice in Mezzolombardo. 8. DIRITTO APPLICABILE
Per quanto non contemplato nelle presenti condizioni di vendita vale quanto stabilito dalla Convenzione di Vienna sulla normativa uniforme per la compravendita internazionale di cose mobili e, in mancanza di sua previsione, dal diritto italiano. Le Condizioni Generali di Vendita sono regolate dal diritto italiano.

1. GENERAL
Our general terms of sale have exclusive validity. Clauses invoked by the Buyer on his part are valid only if we undersign said clauses and if they are in Italian. The invalidity of any single condition of contract does not limit the validity of the other terms. The following conditions of sale are an integral part of all orders for goods, whether verbal or written, directed to Rotaliana S.r.l and are always applicable, even if not expressly mentioned or shown on the documentation accompanying each individual sale (such as order confirmation, delivery note, invoice etc). All offers whether direct or through agents, dealers, representatives or company officers, are considered as not binding and subject to completion of the sale and if accepted by the Buyer are subject to confirmation. All orders received by Rotaliana S.r.l. through agents, dealers, representatives or company officers are always subject to written confirmation. Failure to contest immediately the invoice implies acceptance by the Buyer of all the terms shown in the same. The prices shown in the pricelist are subject to modification which will be formally communicated with appropriate timeliness. Products may be subjected, at our unqualified judgement, to any improving modifications held to be necessary. We do not therefore guarantee that the items supplied correspond exactly to the photographs in the catalogue. In the case of completion orders the exact colour of the items supplied is not guaranteed to be the same as that of the earlier supply. This pricelist replaces and cancels all preceding versions.

2. DELIVERY TERMS
The delivery schedule runs from the date of the order confirmation. This may in certain circumstances be extended : if payments are not made on time; if the Buyer does not meet in good time any obligations under the contract; or if any cause arises, independently of Rotaliana S.r.l., such as delays by sub-contractors, impossibility of supply in Italy or abroad, causes of force majeure, strikes, interruptions of lines and services, lack of mEans of transport. No delay due to the above causes can lead to responsibility or a right to indemnity of any type. The order can be cancelled only by an agreement between the parties. Rotaliana S.r.l. can fulfil orders with partial shipments.

3. PLACE OF DELIVERY
Delivery occurs at the premises of Rotaliana S.r.l. at the time when the goods, under the care of the Buyer or the carrier, leave such premises even if the price includes the cost of transport. Goods travel at the risk of the Buyer even if sold delivery free to destination, and it is the care and responsibility of the Buyer to verify the number of packages and the condition of the goods and to make any eventual claims on the carrier. The Buyer binds himself to accept the goods from the carrier even if he considers grounds exist for raising objections or claiming breaches.

4. GUARANTEE
Rotaliana S.r.l. guarantees the good quality and construction of its products and commits itself during the guarantee period hereunder specified to the replacement free of charge and as soon as possible of those parts that due to inadequate quality of the material or to faulty manufacturing are shown to be defective, always providing that this does not arise from normal wear and tear, from faults caused by incapacity or negligence of the Buyer, from installation by unqualified personnel, or from unforeseeable or force majeure circumstances. The Buyer is obligated to examine the goods immediately on arrival. Claims will not be accepted unless in writing and made within three days of the arrival of the goods at the Buyer's premises. The claim letter must contain a specific mention of the reasons for the claim. For hidden faults the guarantee covers a maximum period of twelve (12) months from the date of production, if claimed in writing within three days of their discovery. Faults are not considered hidden if they could be revealed by the diligent inspection of the goods that the Buyer must make on delivery of each supply. Any goods returned must be preceded by a suitable written motivation, and in any case will not be accepted unless authorised in writing by Rotaliana S.r.l. In the case of delivery of goods that do not conform to the agreed quality, the Seller can at his exclusive discretion either replace the goods or cancel the contract if the Buyer has made a claim within the times indicated here. The Buyer cannot file any claims for damages under this clause, although eventual shipping costs will be reimbursed. The guarantee under this clause overrides and replaces all other legal guarantees for faults and conformity and excludes any other possible responsibility of the Seller however caused by the products supplied; in particular, the Buyer cannot make any other claims for damages, price reductions or seek resolution of contract. On expiry of the guarantee period no claim can be made against the Seller. The Buyer agrees to bear any costs arising from possible actions (direct or passed on by successive sellers) covered by Consumer Code, Article 131 d.l.g. 6-9-205, n. 2006, or of equivalent norms of other Member States arising from the Directive 1999/4/EC of the EuropEan Parliament and of the Council dated 25 May 1999 covering various aspects of the sale and guarantee of consumer goods. Any Buyer's right of regression against the Seller is therefore expressly excluded with reference to Consumer Code, Article 131 d.l.g. 6-9-205, n. 2006, or under similar norms of other Member States as to the Directive 1999/4/EC, on the part of a Buyer who has remedied a conformity fault in favour of a customer (or who has suffered the regression of the claims from an ultimate consumer under this heading). Further the Buyer binds himself to hold the Seller harmless from any regress action that the latter may suffer from any parties purchasing from the Buyer.

5. PAYMENT
Rotaliana S.r.l. can decide not to satisfy orders or to suspend execution of the order if the Buyer has not made payments to schedule, or for any other default, or due to his changed Economic and/or juridical situation. Our terms of payment start from the date of the invoice: alternative forms of payment will be valid only if confirmed by us in writing. Ten days after the indicated term the Buyer bEcomes automatically in arrears and therefore as from that date interest is due at a rate of 3% above the bank rate, plus expenses and any other costs arising from the arrears. Payments for goods must be made to the head office of Rotaliana S.r.l. in Mezzolombardo by bank transfer, save any other form of payment agreed and confirmed in writing. The visit of persons charged with collecting amounts due, who will in all cases be provided with written authority, and any emission of drafts or bank receipts or the acceptance of bills of exchange and cheques do not modify the obligation to effect payment at the head office of the Seller in Mezzolombardo. The offsetting of credits is allowed only if supported by executive instruments.

6. RESERVED PROPERTY
Rotaliana S.r.l. retains ownership of the goods supplied up until complete settlement of all Buyer amounts due in respect of both current and preceding supplies of goods. In the case of payments by cheque or bill of exchange ownership is reserved until their final clearance. The Buyer can re-sell goods supplied by Rotaliana S.r.l. in the normal course of his trade and he cedes to us as from now the rights he will acquire from sales to his own customers. The Buyer is authorised to cash any amounts due, for which he must account to us at our request. If the guarantees reserved to us exceed the total value of our credit by more than 15%, we shall release on specific request and at our discretion the guarantees that exceed that value.

7. PLACE OF JURISDICTION
All controversy arising from this contract will be finally resolved in conformity with the Rules of Arbitration /Arbitrage Curia Mercatorum.
The proceedings will take place in Trento and will be conducted in the Italian language.

8. APPLICABLE LAW
For any topic not contemplated in these sales terms, the valid provisions are those established by the Vienna Convention on harmonised standards for the international trade of moveable goods and, failing any such provision, by Italian Law.
